2016 Club Champions

This Winning Trio gave our members some great golf entertainment. Dave Sheedy made two birdies to clinch the Senior Division. Nancy Lancto beat out Flora Masciadrelli in the Women's Division and Trever Wilder stole the championship from Ron Humphrey and Greg Strycharz in sudden death. The members all watched and cheered from the deck as each group finished. And the grand finale came as the members clamored to the carts to watch as Greg, Ron & Trever battle it out in an extra hole. Trever birded the hole to grab the title! A special thanks to all the participants ~ maybe next year!

2017 Honoree

Brian Lyman

was chosen as the 2017 Shaker Farms Country Club's Honoree. This deep-rooted, revered tradition charges the tournament committee to nominate a Shaker Farms Country Club Member who does more than support the club. Brian has been a member since 1985. He has run the men's league for 5 years and has been on the tournament committee for 5 years. Brian's years of banking experience, has made him a perfect fit for being the numbers guy for the many tournament we have.

Now that he is retired from People'sBank, we hoping that Brian has more time to "come play a round with us"!! Thank you for all the time and effort you have donated over the years. Please join us in Honoring Brian on Sept. 25th.

Dave Johnson

Our own Dave Johnson qualified for the 2016 Senior Amateur Championship Tournament. Dave had a 75 which qualified him to get in the field. The tournament is Sept. 12th & 13th. Congratulations Dave and Good Luck !!!
